

Community Vaccinations Update

[30-6-2021 6:15pm]

Please be advised due to South 32 Covid precautionary measures, the 100 vaccinations provided by South 32 for community will now be distributed at the Angurugu Clinic. There will still be buses running in both Umbakumba and Angurugu, transporting people to and from the Angurugu Clinic.

The 24 seater bus for Umbakumba will depart Alyangula at 8am, arriving in Umbakumba at approximately 9am and will lap community until full, before returning to Angurugu. The bus service in Angurugu will kick off at approximately 9.30am. The clinic will initiate vaccinations at 9.30am.

A BBQ will operate for those vaccinated!

Thank you to all those who have assisted in making these last minute changes happen.

We look forward to seeing plenty of TO's faces tomorrow!

Feel free to call me should you require any further information.

Kind Regards
