

Groote Eylandt stakeholder information
[30th June 2021 3:45pm]

- There is currently no COVID detected in Arnhem Land or the Groote Archipelago;
- Government and service providers should still be operating as Business As usual;
- There have been some people asked to stay home while we await COVID test results, who had travelled from interstate. They all tested negative and have no additional exposure risk factors;
- Passengers on flights from QLD yesterday were instructed to return to QLD as an extra precaution due to the Brisbane hotspot announcement;
- Darwin and Alice Springs are in Lockdown to ensure COVID is contained.
