

[2nd July 2021, from Mark Hewitt, ALC CEO]

Please note the advice from NTG announcing the Darwin/Alice Springs lifting of lockdowns.

Any returns from both areas will require the wearing of masks in public for 7 days from 1pm today.

We are looking at the issuing of identifying wrist bands for passengers of incoming flights from Darwin to support this measure. We will update you on this further in due course

Kind regards, Mark

Subject: Lockdown Lifted from 1pm Friday 2 July - Chief Minister's advice

Hello everyone,

As advised by the Chief Minister today, the lockdowns in the Greater Darwin region and in Alice Springs will end from 1.00pm today, with some restrictions to remain in place for a further 7 days.

From 1.00pm today there will be no restrictions on the reasons to leave home, but staying COVID safe remains important so please note the below arrangements:

- Face masks will need to be worn when you are in public and are unable to physically distance 1.5m from others e.g. the supermarket, the hairdresser etc.
- At work if you are moving around in close contact within an office area or in a meeting a mask must be worn unless you can physically distance.
- If you are queuing for a coffee or takeaway, with people around you, wear your mask.
- If you going out for dinner or a drink, wear a mask, you must be seated to dine or drink.
- You do not need to wear a mask at home
- You can have up to 10 people, in addition to your household, visit your home at one time.

The Territory *Check in App* will become mandatory for use in all Territory businesses including shopping centres and other venues. You will be required to check in everywhere you go, no matter how long you spend in that location.

The fastest way to book a COVID-19 tests is online at <https://covid19appointment.nt.gov.au/test#/appointment> or call the COVID-19 Hotline on 1800 490 484.

Personal behaviour is our best defence against COVID-19. Physically distance, wear a mask if needed, keep washing your hands, stay at home if you're sick, get tested if you have symptoms and get the COVID-19 vaccine.

For more information visit the coronavirus website: [Coronavirus \(COVID-19\) \(nt.gov.au\)](https://www.nt.gov.au/coronavirus).

Thank you and kind regards

Natalie
