

[27-6-2021]

Dear ALC Team

I am writing to advise that effective immediately and until further advised **no ALC staff are to travel to Groote from interstate nor internally from the greater Darwin region.**

Tomorrow's Health Implementation Plan meeting has to be postponed due to the emerging Tanami COVID-19 situation and measures being put in place across the NT to reduce the risk of community transmission.

Wednesday's ARAC meeting will be conducted virtually over MS Teams and ALC Board Members must remain on Groote and not travel interstate.

CHO directions on the greater Darwin region lockdown have been issued here [2021-06-27 COVID-19 Update: Lockdown restrictions in place | Coronavirus \(COVID-19\) \(nt.gov.au\)](#) and a number of Department of Health staff who are necessary for this meeting will not be able to travel.

Stay safe and please follow all CHO directions and recommendations. Please follow all the latest updates on [Coronavirus \(COVID-19\) \(nt.gov.au\)](#) and via facebook at [\(20+\) SecureNT | Facebook](#)

Be safe and kind regards
Mark
